**MISSION, PURPOSE & OBJECTIVES OF
THE LOS ANGELES PERFORMING ARTS CONSERVATORY**
“To be an exceptional artist, you must first know and be yourself.”

Since the inception of the Los Angeles Performing Arts Conservatory the above quotation has expressed the quintessential element of individuality on which the guiding philosophy of the Conservatory is based.

The Promenade Conservatory, Inc. is the parent organization of the Los Angeles Performing Arts Conservatory, a for profit private entity. The Los Angeles Performing Arts Conservatory was created to deliver higher education via two degree programs: Associate of Occupational Science in Fine Arts/Screenwriting; and Associate of Occupational Science in Fine Arts/Acting.

The Los Angeles Performing Arts Conservatory also offers five non-degree programs: English Thru Performing Arts (ETPA), Acting, Screenwriting, Directing, and Acting Post Degree. These programs are designed to meet the career and skill needs of those not seeking a degree.

All degree and certificate programs are issued under the authority of the Bureau of Private Post Secondary Education, State of California.

The overarching goal of the Conservatory is to go beyond the mundane and obvious, to train and challenge the actor, screenwriter, and director to develop all of the emotional colors that exist within a character’s inner life. The Conservatory also helps refine international student English language skills, necessary for an education and career in the performing arts in the United States. Graduates of Conservatory training are already making an artistic impact in commercials, cinema, television, comedy improvisation troupes, through performances and contributions that are interesting, specific, exhilarating and emotionally alive. We are confident that our Degree and Certificate Programs, better prepare students for performing arts careers than any other local programs. The Conservatory also offers Gap Year and College Prep programs to graduating high school students, a Corporate Sabbatical program, and Corporate Teambuilding Events...all designed to teach leadership, follow-ship, and life skills through the performing arts metaphor.

The Conservatory nurtures an environment in which the ‘artist’ is trained to create, explore and develop a truer confidence, filled with spontaneity, emotional depth and abundant imagination. Individual programs are designed to enhance concentration, promote self-discipline and support emotional freedom to deliver outstanding skills for the performing arts professional in the film, television, and theatre industries. The Conservatory also uniquely fills the language development needs of International students who wish to pursue performing arts careers in the United States.

The experiences and abilities of faculty at our institution breathe life into the institution and its curriculum. A unique aspect of the faculty at the Conservatory is the fact that, among the wealth of choices available to provide instruction in the Greater Los Angeles and Hollywood communities, several outstanding teachers, considered to be deeply experienced and at the top of their profession, have taught at the Conservatory for many years and remain loyal to the school and its management.

A primary experience and achievement for students at the Conservatory is in its placement and career focus. Since its inception the Conservatory has developed a strong reputation earned

through its graduates working in film, television, theatre and commercials sometimes even as students.

Additionally, the close bonds between the industry and the Conservatory have solidified, resulting in the Los Angeles Performing Arts Conservatory holding a unique, if not exclusive ability, to connect a large number of trained students with employment in the entertainment industry.

Forming strategic partnerships with active local studio/production companies is critical to creating and maintaining a dominant position when it comes to opening doors for Conservatory students in the local entertainment industry. Such working relationships accrue to the distinct benefit of Conservatory students and thus promote its growing reputation in the key Los Angeles area market. Actors, Screenwriters, and Directors not yet ready for work can be guided to continue professional development at the Conservatory, whereas the strategic partner benefits by having a greatly expanded pool of talented students, to include extensive tailored preparation, from which to draw.

Our sister company, The Promenade Playhouse has also created an in-house theatre company, The Promenade Players, whose mission is to unite European, Latin American, and American playwrights to produce work with actors and directors that is well crafted and thought provoking. Students of the Conservatory can audition for these productions. This venue is part of the Conservatory campus.

These symbiotic arrangements enable the Conservatory to provide a unique benefit of great practical value to both its students and important aspects of the entertainment industry in the Greater Los Angeles market.

Also forming strategic partnerships with other schools and organizations abroad helps to extend the ability to influence the professional and artistic development of the performing arts community. The Conservatory has already made liaisons with Eicar, The International School of Cinema of Paris, France; Bridge Media, Paris, France; Acting International, Paris, France; Artes Pasion, Mexico City; TV Azteca, Mexico City; Foro Shakespeare, Mexico City, Acapulco Film Festival, Mexico; River Hollywood Training School, Tokyo, Japan; Casa Azul, Mexico City; Guanajuato International Film Festival, Mexico; Fabbrica dello Spettacolo, Milan, Italy; Musical Theatre School, Milan, Italy; What Larks, the English Speaking Theatre Company in Provence, France; Theatre Raymond Kabbaz, Los Angeles, California; the American Federation for Radio and Television Artists, Los Angeles, California; and the Stanislavsky Institute in Sao Paulo, Brazil.

The Associate Degree in Occupational Studies /Screenwriting Program

MISSION

To facilitate screenwriters in effectively expressing themselves by helping them to discover their personal connection to their work and to give them the tools necessary to bring that personal expression to life.

PURPOSE

The Associate Degree in Fine Arts / Screenwriting at The Los Angeles Performing Arts Conservatory is a sequential process of training that will expose each writing student to the essential aspects of this unique form of writing.

Screenwriting is a demanding art form in which the writer must learn to compress the complex world of their story and characters into a lean and concise written document. In order to create effective and compelling stories, the screenwriter must learn how to tap into his or her own personal experiences and meld them with the demands of the story and genre in which they are working. The final goal of the screenwriting major is the creation of several finished short and feature film scripts. This deceptively demanding writing form requires the writer to compress an entire universe into a stripped down less than 90 – 120 page document.

OBJECTIVES

To complete a formal, well-rounded, comprehensive degreed program tailored to the screenwriter.

From the history of cinema and the basics of storytelling, to the art of dialogue and story structure, each student will have an opportunity to embrace every aspect of the screen writing process and to be guided through that journey by seasoned professionals.

The students will learn the basic tools and requirements of good screen writing and through a series of exercises and assignments will explore each tool repeatedly until it becomes second nature.

Filmmaking is a highly collaborative medium and the collaboration begins with the development of the script.

Besides acquiring the necessary skills and tools to write a compelling script, students at the Los Angeles Performing Arts Conservatory will also be trained in the essential skills of communication and collaboration.

To benefit from the technical and professional support, faculty, structure, and fellow alumni only available from a degree granting institution.

DIRECTING CERTIFICATE PROGRAM

MISSION

To facilitate Directing Students in effectively expressing themselves by helping them to discover their personal connection to their work and to give them the tools necessary to bring that personal expression to life.

At its heart, filmmaking is a complex and high-tech form of storytelling. In order to create effective and meaningful works of cinema, the film director must learn to tell each story in a personal, passionate and accomplished manner.

PURPOSE

The Film Directing Program at The Los Angeles Performing Arts Conservatory is designed for the director who is in need of communication and technical tools to effectively bring out the desired performances from the actors, as well as staging, blocking and rehearsal techniques. Many film schools focus on the technical aspects of the camera but neglect the Actor's Language.

OBJECTIVES

This program is designed as a finishing school for directors who have already mastered the technical and want to focus on the actor's process as well as gaining a better understanding of script analysis and breakdown, character development and an exploration into the psychological dark side of characters, the visual aspects of cinema, an in depth study into the "business" aspects of filmmaking and a journey into the writing process. This is a sequential training that will expose each directing student to the most essential aspects of this powerful art form.

From the history of cinema and the basics of storytelling to the complexities of camera movement and eliciting performances from actors, each student will have an opportunity to embrace the art of the film directing process and to be guided through that journey by seasoned professionals.

Like any accomplished artist, the film director has to not only learn the basic tools of the craft but also must exercise and explore each tool repeatedly until it becomes second nature.

Filmmaking is a highly collaborative medium. The directing students will also be trained in the essential skills of communication and collaboration.

Screenwriting Certificate Program

MISSION

This program was created to allow those not seeking a formal degree to attend and benefit from a highly skilled and professional faculty through carefully tailored classes in screenwriting. Also, this Program allows Domestic and International Students, the possibility of an American/Hollywood experience without having to invest the time and money necessary for a 2 year degree.

PURPOSE

To facilitate for the writing students an effective and expressive journey by helping them to discover their personal connection to their work and to give them the tools necessary to bring that personal expression to life through their writing in a structured and sequential manner.

Screen Writing is a demanding art form in which the writer must learn to compress the complex world of their story and characters into a lean and concise written document. This deceptively demanding writing form requires the writer to compress an entire universe into a stripped down, less than 90 – 120 page document. The final goal of the screenwriting certificate program is the creation of at least 2 finished short and/or feature film scripts as well as exposure to specialized courses in dialogue and genres.

This program is also designed as a finishing school for writers who want to focus on the writer's process as well as gaining a better understanding of script analysis and breakdown, character development and an exploration into the psychological dark side of characters, the visual aspects of cinema, and an in depth study into the "business" aspects of screenwriting.

ADMISSION REQUIREMENTS FOR ABILITY TO BENEFIT STUDENTS

1. Lacking documentation of graduation from high school or its equivalent, a student must take and successfully pass a Wonderlic Basic Skills Test to document the **Ability to Benefit** from instruction provided. The minimum proficiency required by the test provider will apply.
2. The admission policy for the degree program also includes those requirements applicable to any non-degree program as follows:
3. The applicant must complete the necessary application form and select the program for which they wish to be enrolled.
4. Two letters of recommendation on letterhead must be provided. Recommendation letters should be from professionals, co-workers, teachers, or directors. One recommendation letter may be personal.
5. A headshot/photo of the applicant is required for identification purposes.
6. A copy of applicant passport.
7. A resume of any previous training and or experience is needed (previous experience is not required to attend the Conservatory).
8. An essay between 125 and 250 words on "Why I wish to attend the Conservatory" is required. The requisite non-refundable application/registration fee (in U.S. dollars) must be paid in an acceptable manner.

ACCEPTANCE OF CREDITS EARNED AT OTHER INSTITUTIONS (CCR Section 71770 (b)):

If course content is comparable, LAPAC may make a determination to accept a maximum of 14 units in transfer from another approved or accredited institution. That maximum would be 14 units for each of the proposed Associate level degree programs. This equates to a maximum of no more than approximately 20% of the units required to earn the degree (14 out of 72 units).

Credit proposed for transfer will be carefully reviewed by the Chief Academic Officer and instructors in each of the courses involved for equivalency to LAPAC degree requirements. The basis upon which units will be accepted in transfer will be carefully documented to reflect which units equate to LAPAC unit requirements. This documentation will be retained in the student file as a matter of official record.

TRANSFER OR ARTICULATION AGREEMENTS

The Los Angeles Performing Arts Conservatory has not entered into an articulation or transfer agreement with any other college or university. CEC 94909 (a)(8)(A).

EXPERIENTIAL CREDIT

It is the current policy of the Conservatory that no experiential credit will be accepted.

The entire Application Package, including the application fee, will be sent to:

Los Angeles Performing Arts Conservatory
1404 Third Street Promenade
Santa Monica, CA 90401 USA

Both international students and domestic students pay for programs according to the following LAPAC Policy:

After acceptance the applicant will receive a letter of acceptance. Please be advised that for any short term program in which the student enrolls, that is designed to be completed in less than four months, the Conservatory must receive payment for all tuition and fees on the first day of instruction. For any short term program in which the student enrolls that is designed to be completed in four months or longer, the Conservatory may require payment of up to four months of tuition in advance at a time. When 50 percent of any such program has been provided, the Conservatory may require full payment of all tuition and fees. The Conservatory will inform the applicant/student which programs require which payment amounts during the enrollment process.

At the student's option, the Conservatory may accept payment in full for tuition and fees, including any funds received through institutional loans, after the student has been accepted and enrolled and the date of the first class session is disclosed in the enrollment agreement.

For international students, when the Conservatory receives the required payment in advance, an I-20 Document will be sent to the applicant VIA FEDERAL EXPRESS. The I-20 Document and any additional documents are required to be taken to the American Embassy or Consulate in the applicant's country for VISA APPROVAL. Curricular Practical Training and Optional Practical Training

The F Visa student, has the option of working in the United States by engaging in practical training during the program or after it ends. Practical training can provide valuable work experience by sharpening and adding to the skills learned in school. There are two types of practical training available for F-1 students: curricular practical training (CPT) and optional practical training (OPT).

CPT, Curricular Practical Training, provides the student the opportunity to work legally in the United States during their studies as a paid or unpaid intern. Typically the student can participate in Curricular Practical Training after their ninth month of study. The work must be related to their area of study.

OPT, Optional Practical Training is an opportunity for the foreign student to work legally in the United States, once his studies have been completed. The option is part of the F-1 visa that we offer.

While on F-1 **OPT**, the work performed must directly relate to the student's major area of study. If the student is starting a business, the majority of the work performed must be directly related to the major area of study.

An F-1 student may be authorized up to a total of 12 months of full-time practical training at each educational level (e.g., undergraduate, graduate and post-graduate). If the student chooses to engage in pre-completion OPT, he or she may not work more than 20 hours per week while school is in session, but may work full-time during his or her annual vacation and other times when the school is not in session. If a student engages in pre-completion OPT, the student's eligible period of post-completion OPT will be reduced by 1 month for every 2 months of part-time pre-completion OPT that is worked when he or she graduates.

Once a student receives a recommendation for post-completion OPT from a Designated School Official (DSO) to pursue OPT, the student must apply for an employment authorization document (EAD) with USCIS within 30 days.

Additionally, the student may file for authorization up to 90 days prior to their program end-date and not later than 60 days after the program end date.

STUDENT'S RIGHT TO CANCEL

Any student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation shall occur when you give written notice of cancellation at the address of the school shown on the top of the first page of the Enrollment Agreement. Please send the notice of cancellation addressed to: **Los Angeles Performing Arts Conservatory, ATTN: Registrar**, 1404-08 Third Street Promenade, Santa Monica, CA 90401. If you cancel this Agreement, the school will refund any money that you paid, less any non-refundable charges and deduction for equipment not timely returned in good condition, within forty-five days after your Notice of Cancellation is received.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who have not cancelled as explained above, shall be a pro rata refund.

Students who have completed more than 60% of a program are not entitled to a refund.

"Completed" is defined as an active student who is not on Leave of Absence or who has not withdrawn from the conservatory.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid.

1. All course fees have a \$100 non-refundable Registration Fee and \$150 non-refundable Application fee included in the total Course fee.
2. Any student who notifies the Conservatory of cancellation or program withdrawal in writing is entitled to a full refund less the \$100 non-refundable Registration Fee and \$150 non-refundable Application fee. Students have the opportunity to cancel and obtain a refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later.

3. All students must provide written notification of withdrawal, cancellation or request for refund.
4. Upon completion of the first class, only Students who have completed 60% or less of a course are entitled to a refund based on the refund formula below. After 60% of the course has been completed the course is non-refundable.
5. Refunds must be requested in writing to the Conservatory office and refund will be calculated upon receipt date.
6. Any refund to a participant will be refunded minus the non-refundable Registration fee of \$100 and non-refundable \$150 Application fee within 45 days of notification in writing.
7. Any prepayment discounts or special pricing given to a student will be void if the student withdraws. Student will be refunded minus the deductions, which will be calculated based on the non-discounted cost per class/quarter.

All Course fees must be paid three months at a time; 6 weeks prior to each quarter start date. If, after the student has been accepted and enrolled and the date of the first class session is disclosed on the enrollment agreement, if a student opts to prepay their PROGRAM in full (1 or 2 years), they get a 10% discount for doing so. If the student wants the discount their payment must be in full. If the student pays by the quarter, their first quarter must be paid in full in order to process their visa paperwork.

All Course materials that have an associated fee are non-refundable (i.e. textbooks).

Refunds are calculated as follows (and are entitled to only students who have completed less than 60% of the total instruction hours): The institutions refund policy for students who have completed 60% or less of the course of instruction shall be a pro rata refund calculated by hour of instruction minus \$100 Registration fee and \$150 Application fee.

FORMULA: (1) deduct the non-refundable registration and application fees from the total tuition charge; (2) divide this figure by the number of hours in the program; (3) the quotient is the hourly charge for the program; (4) the amount owed by the student for the purposes of calculating a refund is derived by multiplying the total hours attended by the hourly charge for instruction calculated in [3], plus the amount of the registration fee specified in [1]; and (5) the refund shall be any amount in excess of the figure derived from [4] that was paid by the student to the institution.

EXAMPLE: If a student registered for Advanced On-Camera 201 at \$800 and upon the student notifies the conservatory in writing and refund is calculated as follows: total tuition of \$800 minus the \$100 registration fee and \$150 application fee equals \$550. \$550 divided by 36 hours of instruction equals \$15.28/hr. Student owes 12 hours completed x \$15.28 = \$183.36 + \$100 Registration fee and \$150 Application fee, totaling \$433.36. \$800 tuition fee minus \$433.36 = the refund of \$366.64.

If a student registers for Commercial Auditioning Technique at \$700 and withdraws prior to the first class, the student must notify the Conservatory on or before the first class date. The student is entitled to a refund of tuition minus the \$100 Registration fee and \$150 Application fee, which equals \$550. The student may also transfer to a different or later course, or take the refund in the form of Conservatory credit.

Conservatory Credit

Participants who withdraw from a course after the first class, may choose a Conservatory Credit. Conservatory Credit will be held on file for 2 years and is transferable to another course or a family member within that time.

Distance Education Refund Provisions (Not currently applicable to LAPAC)

An institution offering a distance educational program where the instruction is not offered in real time must transmit the first lesson and any materials to any student within seven days after the

institution accepts the student for admission. The student has the right to cancel the agreement and receive a full refund as described above before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

An institution must transmit all of the lessons and other materials to the student if the student has fully paid for the educational program, and after having received the first lesson and initial materials, requests in writing that all of the material be sent. If the institution transmits the balance of the material as the student requests, the institution must remain obligated to provide the other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

LAPAC does not currently provide instruction via distance learning modalities.

Federal or State Loans

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs funds. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

WITHDRAWAL

You have the right to withdraw from a course of instruction at any time. A notice of withdrawal must be made in writing to the Los Angeles Performing Arts Conservatory, ATTN: Registrar, 1404-08 Third Street Promenade, Santa Monica, CA 90401. But please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred if, in the estimation of the school and instructor, the student has failed to attend any five consecutive class meetings and has not responded to school attempts to contact the student.

Grading Structure

GRADING SYSTEM/STANDARDS

The Los Angeles Performing Arts Conservatory uses this Grading Scale to apply a letter grade for students enrolled in degree programs. Grades are calculated for each course by using a point scale, with 100 points possible per course. This scale indicates which letter grade is earned based on the total numerical score accumulated by a student in any degree course. Example- a student earns 94 points in a course: this Grade Description of 94 results in an "A" grade being awarded to the student for the course.

The Grade Point Average of students enrolled in degree programs is based on a maximum of 4.0 grade points as depicted below. Students enrolled in degree programs must receive a 2.0 Cumulative Grade Point Average or better to graduate from a degree program. To calculate a Cumulative Grade Point Average, Grade Points of each course is multiplied by the number of course credits, these values are added together, and then the total value is divided by the number of credits taken. Grades of "I," "U," "P," "T," and "W" are not used to calculate a Cumulative Grade Point Average for graduation purposes for degree program students.

Internships, audits, and courses taken for non-degree credit will result in letter grades of either "N," "I," "U," "P," "W," or "F."

Courses transferred from other institutions will result in the transfer of credits only, with a Grade Mark of "T," whereas grades of transferred courses do not alter grade point averages of students transferring credits into Los Angeles Performing Arts Conservatory.

A	4.0	90-100

ACCREDITATION: The LAPAC and none of its degree or other programs is accredited by an accrediting agency recognized by the United States Department of Education. No graduate of any LAPAC degree program will be eligible for or need to sit for a licensure exam in California or any other state. A degree program that is unaccredited or a degree from an unaccredited institution is not recognized for some employment positions, including, but not limited to, positions with the State of California. A student enrolled in an unaccredited institution is not eligible for federal financial aid.

Leave of Absence Policy

A leave of absence (LOA) is approved on a case by case basis in recognition of the wide variety of circumstances under which they may or may not be appropriate or conducive to the overall learning goals for the student and the school.

Any LOA must be a minimum of two weeks and a maximum of 180 days within any twelve month period.

The student must submit in writing a request for medical or family emergency absence. The school reserves the right to refuse a LOA without written medical authorization. If a student on an approved LOA notifies the school that they will not be returning, the date of withdrawal will be the earlier of the date of expiration of the LOA, or the date that the student notifies the institution that they will not be returning. If a student does not return from a LOA, they will be automatically withdrawn 14 days from their expected return date.

Probation and Dismissal

The Los Angeles Performing Arts Conservatory reserves the right to suspend or terminate any student whose conduct is deemed inappropriate and disruptive to instruction. Students will be expected to fully observe policies and rules of conduct of The Los Angeles Performing Arts Conservatory. Such conduct includes: excessive absences or tardiness; failure to maintain satisfactory progress; inappropriate behavior toward another student or staff member; failure to abide by school rules and regulations; failure to meet financial obligations; any other conduct deemed sufficiently disruptive of instruction so that, in the estimation of the instructor, Chief of Operations, Chief Academic Officer, and CEO/Director, continued instruction is not a reasonable or constructive proposition.

Students who have been suspended or terminated may request reinstatement in writing to the Director after a period of at least thirty days. Decisions on reinstatement will be at the sole discretion of The Los Angeles Performing Arts Conservatory.

Should it be determined, after a review by the Conservatory, that student behavior has violated any policies and guidelines herein, a student may be allowed or denied resumption of Active Status. Said change in status and permissions to participate in Conservatory activities and attend courses shall be determined by the Conservatory. Should a student be permitted to return on Active Status, at times special written guidelines established by the Conservatory may be issued, constituting “Probation.”

Failure to make timely tuition payments may also be considered cause for Probation. Special written guidelines constitute Probationary status and may be in force for a term of up to 120 days. Should the student continue to exhibit unsatisfactory behavior or violate probationary guidelines, the Conservatory may summarily dismiss any student on Probation.

Suspensions

A student may be suspended for cause, for up to 10 days, pending review and action by the Conservatory. Conservatory instructors and staff have the power to immediately suspend a student for cause. "Cause" includes possible violations of these Policies, to include criminal activity, failure to maintain satisfactory academic progress, disciplinary issues, and unsatisfactory conduct and behavior. After Conservatory review, change in status from Suspension, which may be communicated either in verbal or written form from the Artistic Director or the Board of Directors, to the student, may include Reinstatement, Probation, Withdrawal, and Dismissal.

Grounds for Discipline

The Artistic Director may impose discipline for violation of, or an attempt to violate, any Conservatory policies or campus regulations. The lack of intent to commit a violation is not a factor in determining if a violation occurred; however, the lack of intent may be considered a mitigating factor in determining the appropriate sanction if it has been determined that a violation has occurred. Violations or attempted violations include, but are not limited to, the following types of misconduct below.

Misconduct:

Academic Dishonesty: All forms of academic misconduct, including but not limited to cheating, fabrication, plagiarism, multiple submissions, or facilitating academic dishonesty.

Cheating: Cheating includes, but is not limited to, the use of unauthorized materials, information, or study aids in any academic exercise; or helping another student commit an act of academic fraud; or the failure to observe the expressed procedures or instructions of an academic exercise (e.g., examination instructions regarding alternate seating or conversation during an examination).

Fabrication: This includes, but is not limited to, falsification or invention of any information or citation in an academic exercise.

Plagiarism: Plagiarism includes, but is not limited to, the use of another's words or ideas as if they were one's own; including but not limited to representing, either with the intent to deceive or by the omission of the true source, part of or an entire work produced by someone other than the student, obtained by purchase or otherwise, as the student's original work; or representing the identifiable but altered ideas, data, or writing of another person as if those ideas, data, or writing were the student's original work.

Multiple Submissions: This includes, but is not limited to, the resubmission by a student of any work which has been previously submitted for credit in identical or similar form in one course to fulfill the requirements of a second course, without the informed permission/consent of the instructor of the second course; or the submission by a student of any work submitted for credit in identical or similar form in one course to fulfill the requirements of a concurrent course, without the permission/consent of the instructors of both courses.

emergency to the Conservatory or to Conservatory officials acting in the performance of their duties.

Forgery: the alteration, or misuse of any Conservatory document, record, key, electronic device, or identification.

Theft: Theft of, conversion of, misappropriation of, or damage to or destruction of any property of the Conservatory or property of others while on Conservatory premises or at official Conservatory functions; or possession of any property of the Conservatory or others stolen while on Conservatory premises or at official Conservatory functions; or possession of any property when the student had knowledge or reasonably should have had knowledge that it was stolen.

Unauthorized Conduct: Unauthorized entry to, possession of, receipt of, or use of any Conservatory services, equipment, resources, or properties, including the Conservatory's name, insignia, or seal. Sale of or unauthorized transfer of performance tickets.

Physical Abuse: Examples of physical abuse include, but are not limited to rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person.

Sexual Harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature constitute sexual harassment when:

1. A person representing or attending the Conservatory makes submission to such conduct, either explicitly or implicitly, a term or condition of instruction, employment, or participation in other Conservatory activity over which the student has control by virtue of his or her Conservatory employment; or
2. A person representing or attending the Conservatory makes submission to or rejection of such conduct a basis for evaluation in making academic or personnel decisions affecting an individual, when the student has control over such decisions by virtue of his or her Conservatory employment; or
3. Such conduct by any person representing or attending has the purpose or effect of creating a hostile and intimidating environment sufficiently severe or pervasive to substantially impair a reasonable person's participation in Conservatory programs or activities, or use of Conservatory facilities.

In determining whether the alleged conduct constitutes sexual harassment, consideration shall be given to the record of the incident as a whole and to the totality of the circumstances, including the context in which the alleged incidents occurred.

Stalking: Behavior in which a student repeatedly engages in a course of conduct directed at another person and makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her family; where the threat is reasonably determined by the Conservatory to seriously alarm, torment, or terrorize the person; and where the threat is additionally determined by the Conservatory to serve no legitimate purpose.

Harassment: For the purposes of this policy harassment is:

1. The use, display, or other demonstration of words, gestures, imagery, or physical materials, or the engagement in any form of bodily conduct, on the basis of race, color,

national or ethnic origin, lineage, sex, religion, age, sexual orientation, or physical or mental disability that has the effect of creating a hostile and intimidating environment sufficiently severe or pervasive to substantially impair a reasonable person's participation in Conservatory programs or activities, or use of Conservatory facilities;

2. An action targeting a specific person or persons; and
3. Must be addressed directly to that person or persons

Hazing: Participation in hazing or any method of initiation or pre-initiation into a campus organization or any activity engaged in by the organization or members of the organization at any time that causes, or is likely to cause, physical injury or personal degradation or disgrace resulting in psychological harm to any student or other person.

Obstruction or Disruption: This area includes interruption of teaching, research, administration, disciplinary procedures, or other Conservatory activities.

Disorderly Conduct: This includes disorderly, inappropriate language and body gestures, disturbing the peace, unlawful assembly, and lewd conduct.

Failure to Comply: Failure to identify oneself to, or comply with directions of a Conservatory official or other public official acting in the performance of their duties while on Conservatory property or at official Conservatory functions, or resisting or obstructing such Conservatory or other public officials in the performance of or the attempt to perform their duties.

Controlled Substances: Unlawful manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of controlled substances, identified in Federal and State laws or regulations.

Alcohol: Manufacture or sale of alcohol that is unlawful and prohibited. Only the Artistic Director may give permission for the dispensation, possession, and use of alcoholic beverages on campus.

Destructive Devices and Weapons: This includes possession, use, storage, or manufacture of explosives, firebombs, or other destructive devices. Except as expressly permitted by law, possession, use, storage, or manufacture of a firearm or other weapon capable of causing bodily injury.

Violation of Disciplinary Conditions: Violation of the conditions contained in the terms of a disciplinary action imposed under this Code.

Conservatory Properties: Using Conservatory properties for the purpose of organizing or carrying out unlawful activity.

Violations of Law: Violation of Federal, State, or local laws. The Conservatory does not tolerate sexual assault in any form, including rape, acquaintance rape, or date rape. Where there is probable cause to believe that the campus regulations prohibiting sexual assault have been violated, the campus pursues disciplinary actions, that may include sanctions, up to and including dismissal from the Conservatory. A student charged with sexual assault can be prosecuted under California criminal statutes and disciplined under the campus student conduct policies and regulations. Even if the criminal justice authorities choose not to prosecute, the campus can pursue disciplinary action.

Those who believe that they are the victims of rape or other forms of sexual assault should:

1. Immediately call the police department. Call 911 or the Santa Monica Police Department at (310) 458-8491. Get the aid of Conservatory staff and other students immediately while awaiting law enforcement/paramedics.
2. Get medical attention. Local paramedics may be summoned and will provide transportation to the Santa Monica/UCLA Medical Center Emergency Room for emergency medical treatment and evidence collection. A counselor from the Rape Treatment Center will be available at that time, free of charge by the City of Santa Monica.

Experience has demonstrated that many complaints of sexual harassment can be effectively resolved through informal intervention. Individuals who experience what they consider to be sexual harassment are advised to confront the alleged offender immediately and firmly.

Other Forms of Harassment

The Conservatory strives to create an environment that fosters the values of mutual respect and tolerance and is free from discrimination based on race, ethnicity, sex, religion, sexual orientation, disability, age, and other personal characteristics. Certainly harassment, in its many forms, works against those values and often corrodes a person's sense of worth and interferes with one's ability to participate in Conservatory programs or activities.

While the Conservatory is committed to the free exchange of ideas and the full protection of free expression, the Conservatory also recognizes that words can be used in such a way that they no longer express an idea, but rather injure and intimidate, thus undermining the ability of individuals to participate in the Conservatory community.

The Conservatory prohibits a variety of conduct by students, which, in certain contexts, may be regarded as harassment or intimidation.

For example, harassing expression, which is accompanied by physical abuse, threats of violence, or conduct that threatens the health or safety of any person on Conservatory property or in connection with official Conservatory functions may subject an offending student to Conservatory discipline under the provisions of Conservatory Policies. Similarly, harassing conduct, including symbolic expression, which also involves conduct resulting in damage to or destruction of any property of the Conservatory or property of others while on Conservatory premises may subject a student violator to Conservatory discipline.

BANKRUPTCY

The State of California requires that we inform students whether LAPAC has a pending petition in bankruptcy, is operating as a debtor in possession, or has filed a petition within the preceding five years, or has had a petition in bankruptcy filed against it, that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code. **None of these circumstances has occurred.**

PLACEMENT SERVICES

LAPAC will not guarantee any employment or specific jobs upon completion of any programs. Instructors, in response to student questions, may offer general suggestions and references for locating employment in the field. However, LAPAC will make no representations about

guaranteed or likely placement with an employer upon completion of any of its programs.

Many students may already be employed in the entertainment industry in some capacity and will be taking classes for professional development.

LAPAC has extensive contacts within the local professional entertainment sector. The goal is to ensure that students can benefit from this network of contacts. Such assistance will typically take the form of one-on-one career coaching.

Perhaps the closest LAPAC will come to providing actual placement assistance of some tangible substance will be the following: All final term degree program students will demonstrate their potential ability to succeed as an industry professional by receiving two of three affirmative votes from a tribunal of professional evaluators. These evaluators will consist of the Chief Academic Officer or his or her designate, a talent manager or agent not employed by the Conservatory, and a Conservatory faculty member specializing in the student's field of study.

Students majoring in Acting will be evaluated during a school performance or special event.

Students majoring in Screen Writing will be evaluated by a student prepared script.

STUDENT SERVICES

The Los Angeles Performing Arts Conservatory prides itself on the quality of its programs, instruction, and facility. Here are a few reasons why:

Instructor/Student Ratio: At the Los Angeles Performing Arts Conservatory students are afforded significant interaction with instructors who have extensive knowledge and experience in the entertainment and performing arts world-wide community. These instructors fortunately reside and practice their profession right here in Los Angeles. Students are taught in typically small classes.

Our instructors and staff are very accessible and approachable.

Quality of Instruction: At the Los Angeles Performing Arts Conservatory all of our instructors are working professionals and are uniquely qualified to share not simply their technical knowledge but also what it takes to make a living in this demanding field.

Wider San Diego Professional Performing Arts Community: We have a very good working relationship with those in the entertainment and performing arts communities of Greater Los Angeles and indeed around the world. Students will benefit from this wider community and network.

HOUSING

LAPAC has no dormitory facilities. A significant number of housing options for students are available nearby. Nearby housing varies greatly in price and lease terms. Rentals range in price from moderate to expensive. In the neighborhoods of Santa Monica, Venice, Marina del Rey, Culver City, West Los Angeles, and Beverly Hills, all areas that are reasonably near to the Conservatory, students can find a studio apartment ranging from \$800 to \$1200; a one bedroom apartment ranging from \$1300 to \$1800; residences that offer single bedrooms ranging from \$700 to \$1100; roommate arrangements ranging from \$500 to \$1500; and host family arrangements ranging from \$500 to \$800.

LAPAC has no responsibility to find or assist students with their housing needs. It is, however, intimately familiar with housing options in the nearby community and regularly counsels and advises students about typical searches for housing. Ultimately, however, the quest for student housing is a responsibility of the student.

STUDENT RIGHTS / STUDENT GRIEVANCE PROCESS

The Los Angeles Performing Arts Conservatory will strive to provide the best education possible for students. However, if a conflict or misunderstanding arises between the student and the school, the student is encouraged to attempt a resolution of issues directly with the party or parties involved. Complaints may be lodged orally or in writing to any instructor, administrator (such as the COO), or the CEO and CAO. The recipient of a complaint, after any appropriate discussion to better ascertain the nature of the complaint and the key facts alleged, shall transmit the complaint as soon as possible to the CEO and CAO.

If the student feels that an oral complaint was not resolved within a reasonable period, it is

recommended that the student submit the complaint in writing to the instructor, administrator, CAO, or CEO. The instructor, administrator, CAO, or CEO will conduct a discussion with the parties to the complaint to investigate and ascertain the facts and a clear understanding of the complaint. If not resolved at the lowest possible level, the complaint will be forwarded, recorded, and then provided to the CEO or CAO for review and appropriate action. The CEO or CAO will provide the final institutional appeal for any complaint not resolved at a lower level.

Any written complaint shall be made known to the CEO or CAO regardless of whether it reaches that office, and the disposition of the complaint, if indeed resolved at a lower level, shall also be made known to the CEO or CAO.

The Los Angeles Performing Arts Conservatory requests a written summary of the complaint. The Los Angeles Performing Arts Conservatory shall, within ten (10) calendar days of receiving a written complaint, provide the student with a written response, which shall include a written summary of the investigation and disposition of the complaint. If the complaint or relief requested by the student is rejected in whole or in part, the reasons for that rejection will be explained in the school's written response.

After exercising the procedure set forth above without satisfactory resolution, the student may file a formal complaint with the following agency:
